

## Products that guide. Innovation that leads.

We are a U.S. manufacturer and GSA Contract Holder of crowd control systems, signage, and safety products with nearly 60 years of experience.

Our products can be found all over the world and in nearly every airport in North America and Europe. Law enforcement agencies, educational institutions, government agencies, hospitals and stadiums are a few of many industries that rely on Visiontron's high-quality and enduring solutions.

## The original RETRACTA-BELT® – often imitated, but never duplicated.

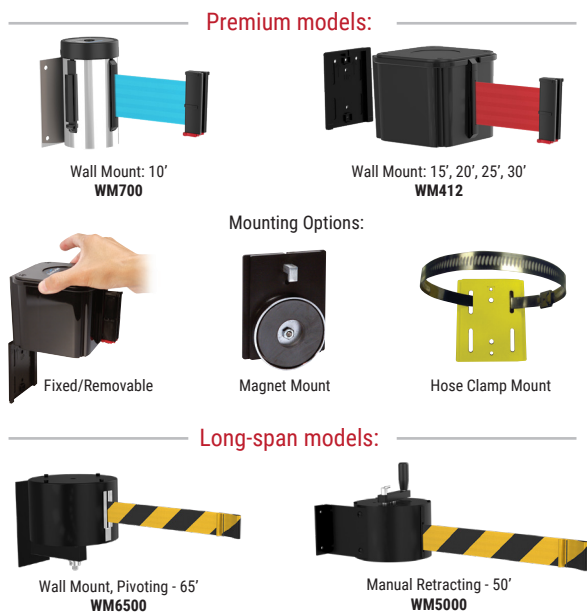

After more than 30 years of use and abuse, the original **RETRACTA-BELT** can still be seen in airports, venues and stores worldwide. Following the basic principles of durability, style and value, the **RETRACTA-BELT** product line has grown to offer countless combinations of models, finishes, belt colors and accessories. We include all of the industry leading features standard, so you can be sure the **RETRACTA-BELT** is the best choice for safety, security and reliability for years to come.

### Features

- ▶ **High strength, tightly woven belts:** span from 10' to 65'.
- ▶ **Patent-pending braking system:** creates the safest post on the market.
- ▶ **High impact polycarbonate material:** greatly increases durability.
- ▶ **Universal belt clip:** allows integration with many other manufacturers' units.
- ▶ **All parts are easily replaceable.**
- ▶ **Knocked-Down shipping option:** saves more than 50% on shipping charges.
- ▶ **Heavy cast iron baseweight:** with rubber floor protectors.
- ▶ **Weather-Protection:** posts can be modified for outdoor use.
- ▶ **Ergonomic belt end:** with noticeable red slide-action lock.

### RETRACTA-BELT® Mountable Head Systems

### Typical Applications:

### Groovy, TSA-Style Posts

The tried and true **RETRACTA-BELT®** is now available with a grooved post design compatible with TSA products and accessories.

- ▶ **EVERstraight® Technology** in the threaded steel base connection for a post that remains straight for its lifetime.
- ▶ **Easy assembly, no tools required!**
- ▶ **Compatible with TSA-approved accessories** such as sign frames and queue panels.

### Classic Post+Rope Stanchions

Post-mounted accessories are designed to enhance your queue.

- **Display your message prominently** in a durable sign frame that can mount onto your existing stanchions.

We have a mounting option for nearly every type of stanchion:

Universal Post Adapter

Screw-in Post Attachment

Grooved Post U-Bracket

Slide-in Post Adapter

**Designer Series Sign Frames** have radius corners and a hinged-top opening.

Frame finishes:

- Black Aluminum
- Polished Aluminum
- Polished Brass Aluminum

**Heavy Duty Sign Frames** have square corners and a slot opening at the top for signage.

Frame finishes:

- Smooth Black
- Polished Chrome
- Polished Brass

## Sign Posts & Stands

Prominently guide and inform with freestanding sign posts and stands.

- **Guard now and message later:** frame sizes up to 22"x28" with acrylic inserts guard staff that need to stand on the job.
- **Durable construction** ensures re-use as sign holder for many years.
- **Transport posts and stands easily** with wheels on the base.

## Q-PANEL® Rigid Barriers

From germ barriers to rigid queues, design versatile Q-PANEL systems for your unique application.

- **Hard panels up to 6ft tall create see-through guards:** or use solid panels to create private areas.
- **Printed inserts double as signage:** to direct and inform.
- **Divide up a large space:** without having to do expensive and time-consuming construction.
- **Add Q-PANEL barriers inside your queue:** to protect people who are waiting in line.

## Visiontron EXCLUSIVE! RETRACTA-CADE® Quick Deployment Barricades

State-of-the-art **RETRACTA-CADE** units provide an instant, effective and versatile barrier solution.

- **They are easy to transport, set up, customize and store.**
- **Options such as changeable signs** allow a single unit to be used in a variety of applications.
