

RETRACTA-BELT®

7.5' G5 Value Series

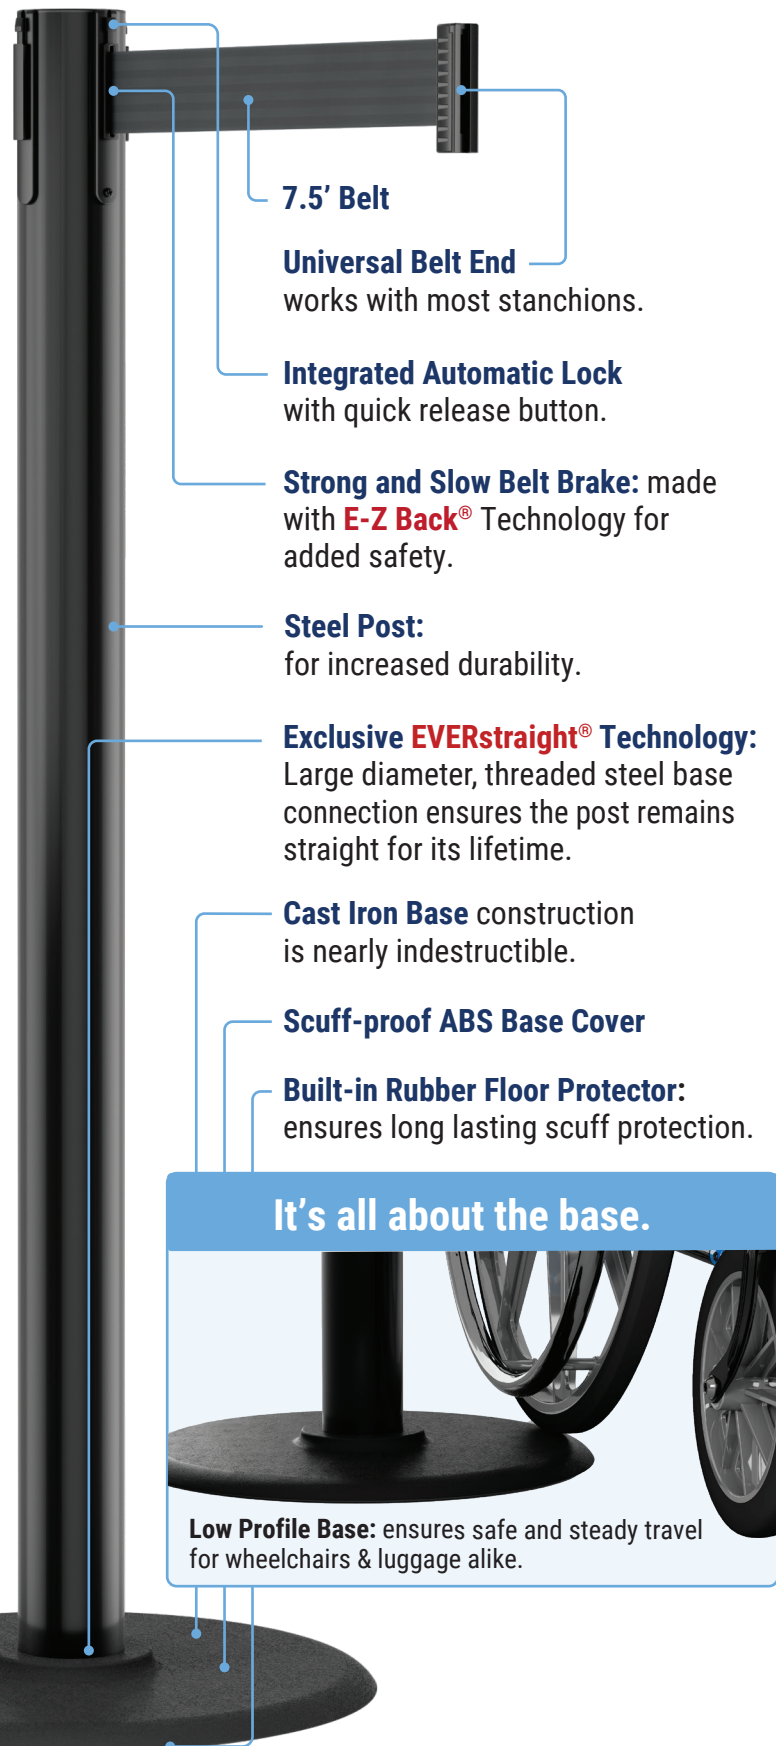

Cast Iron Base | **MODEL VS206**

Optimized value from the ground up.

We've taken decades of design experience to develop the ideal blend of ingenuity, quality, and affordability. The 7.5' Value Series stanchion features our G5 **RETRACTA-BELT®** mechanism, an exclusive 1 piece molded cap-to-clip cassette which decreases costs and increases durability. We've also optimized the 7.5' belt with the proper spring-to-base balance to ensure that the post remains upright the entire length of belt extraction. The low-profile cast iron base provides wheelchair accessibility and includes our exclusive **EVERstraight®** Technology to ensure the post remains straight and floor protectors to ensure your floors are free from scuffs and scratches.

Features

- **Compact Shipping:** 2 posts per box.
- **Ships Knocked-Down:** saves on freight.
- **Easy Assembly:** no tools required
- **Easily Attach Signs and Accessories** with universal adapter cones.

7.5' Belt

Universal Belt End
works with most stanchions.

Integrated Automatic Lock
with quick release button.

Strong and Slow Belt Brake: made with **E-Z Back®** Technology for added safety.

Steel Post:
for increased durability.

Exclusive EVERstraight® Technology:
Large diameter, threaded steel base connection ensures the post remains straight for its lifetime.

Cast Iron Base construction is nearly indestructible.

Scuff-proof ABS Base Cover

Built-in Rubber Floor Protector:
ensures long lasting scuff protection.

It's all about the base.

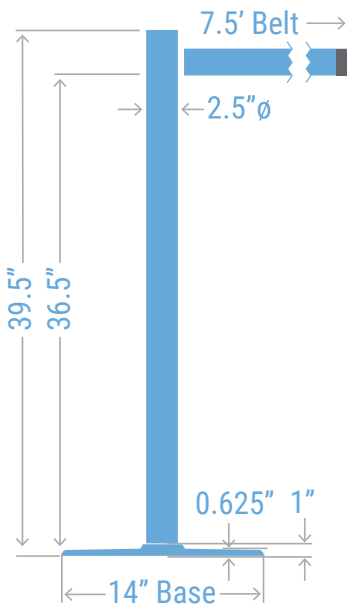

Low Profile Base: ensures safe and steady travel for wheelchairs & luggage alike.
