Distance responsibly with Direction Dot™ floor decals!

Guide your customers to comply with CDC recommendation of 6' safe social distancing. Direction Dots provide targets to stand on while waiting in line 6' apart. They can stick to virtually any indoor or outdoor surface such as tile, concrete, or even carpet.

It's a sign!

Just in case your patrons need a little extra guidance, place the Direction Dots Sign at the start of your queue as a reminder on how to distance responsibly. Durable card stock sign is 8.5" x 11" and can fit in a standard acrylic frame holder or a sign post frame.

8.5" x 11" Designer Series Sign Frame with Universal Adapter Cone Model #FRDS811SBSB-CSB

+ Direction Dots Sign - Model #DDS811-01

Safe distancing is just a measure-peel-stick away.

Standard kits come with five 5in round floor decals (three "Wait Here" dots and two "6ft" dots) and a 6ft measurement string to help position properly. The floor decals are a thick and durable 11 mil with an anti-skid texture.

Heavy duty lamination for high traffic areas, custom messages, and/or colors are available. (100 piece minimums apply)

5" Direction Dots 5 Pack Model #DD500-5
