

Featured Product: Model EGP

Protect employees with a Portable Employee Guard.

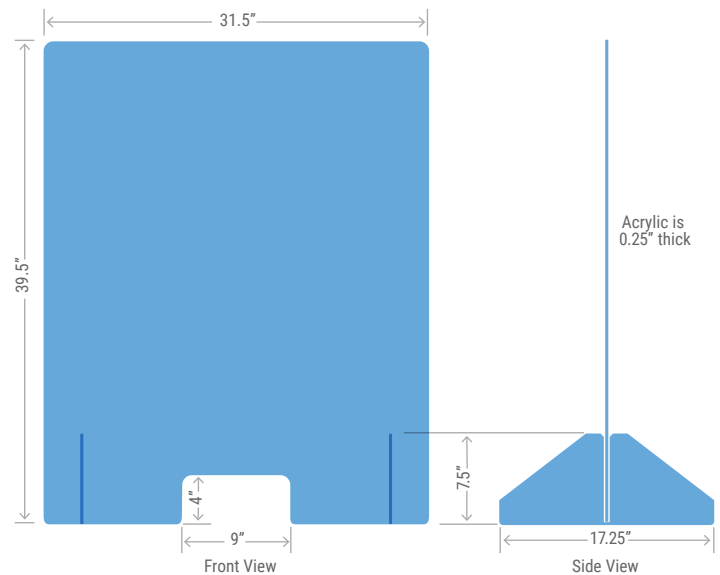

Clear acrylic panel with a small opening at the bottom for the exchange of materials can be placed on the desk or counter to protect people in essential businesses that are in operation.

Features

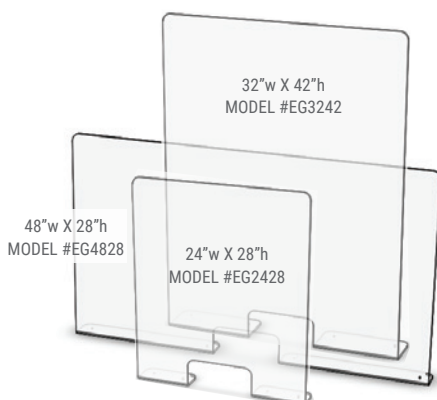

- ▶ **Lightweight, economical protection** can be easily moved from place to place to keep interactions between patrons and staff germ-free.
- ▶ **Made with 1/4" clear acrylic** for a sturdy, transparent shield protecting both employee and patron.
- ▶ **Custom sizes and shapes available.** Minimums apply.
- ▶ Ideal for banks, hospital check-in counters, airline counters, convenience stores, etc.

Specifications

Model #EGP3240

Alternate 'Fixed' Configurations

We also offer a more permanent solution in three standard sizes (12 pc minimum order applies).

- ▶ **The 3.5" return securely fastens to a smooth surface** using VHB tape (included) or you can attach with screws (not included) through the 4 pre-drilled holes.
- ▶ **Comes in three standard sizes.** Custom sizes and shapes available.
