

Choosing a Weather-Protected RETRACTA-BELT® Product

1. **Choose your model, finish and belt color:** See outdoor-rated finishes >

2. **Add Weather-Protection:** Add SUB-WPBW for an additional coat of protection on the base, (we also substitute a black head on 15' Polished Aluminum, Satin Aluminum and Satin Stainless Steel models).

3. **Add any other additional options:**

- ▶ **Heavy 30 lb Baseweight:** Add SUB-HBW and we increase the baseweight from 18 lbs. to 30 lbs. for added stability in wind; ideal for large signage.
- ▶ **RETRACTA-WHEEL:** Add SUB-WH to make transporting the posts easier; an ideal addition to the Heavy 30 lbs. Baseweight.

Outdoor-Rated Finishes

Aluminum

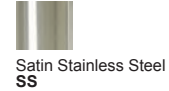

Solid Brass

PVC

Stainless Steel

RETRACTA-BELT® Stanchions

- ▶ **High strength, tightly woven belts:** span from 10' to 65'.
- ▶ **All stainless steel hardware:** eliminates rust potential.
- ▶ **Weatherproofed baseweight:** with molded rubberized floor protector.
- ▶ **EZ-Back braking system:** slow retraction creates the safest post on the market.
- ▶ **High impact polycarbonate material:** greatly increases durability.
- ▶ **Heavy-gauge aluminum, PVC or stainless steel construction:** for durability and outdoor capability.
- ▶ **All parts easily replaceable.**
- ▶ **A variety of options:** RECYCLED-RUBBER base, extra Heavy 30 lbs. baseweight, outdoor-rated RETRACTA-WHEEL add-on.

Curbside Check-in
