

Enable customers to make use of their time while waiting in line.

The Post Mount Writing Table provides customers with a 10" x 48" writing surface to fill out forms such as baggage tags at the airport or deposit slips at the bank. This convenient surface will decrease time filling out forms at the clerk's desk, speeding up the flow of the queue line and reducing wait times.

1/2" thick Corian® writing surface: the same durable scratch-resistant material used for school desks and kitchen counters, designed to withstand years of abuse.

Sleek standard Black Granite Color: other Corian® patterns & colors available upon request.

10 year warranty.

Integrates with Model-300 **RETRACTA-BELT®** stanchions.

Optional: Adapter Cones affix the Writing Table to most other stanchions.

Options

Literature Holder: provide forms such as baggage tags and deposit slips next to the Writing Table.

Secure Pen: optional pen with chain for customer convenience.

Easy Assembly

Simple Attachment: affixes to the top of any 2.5" diameter **RETRACTA-BELT®** with a standoff wrench (sold separately).
