

More options. More value.

The 10' Value Series **RETRACTA-BELT®** now features expanded options and upgrades. Including customizable belts and **WEATHER-PROTECT** base coating for outdoor use. Each post includes all of the important features of our premium stanchions but with simplified options that keep production costs down. This post offers a great balance of features, options and affordability.

Getting down to base-ics

Exclusive EVERstraight® Technology: large diameter threaded steel base connection ensures the post remains straight for its lifetime.

Optional WEATHER-PROTECT Base Coating. (Model # SUB-WPBW)

Scuff-proof ABS Base Cover.

Cast Iron Base: construction is nearly indestructible.

Built-in Rubber Floor Protector: ensures long lasting scuff protection.
